Subject some comments on the draft Subpart W risk assessment
document dated 12/6/2010

Hi,
Stephen Hoffman and Richard Benware forwarded the draft Subpart W risk assessment document, and I
can offer some comments. (b)(5) - Deliberative Process Privilege

I didn't have time for a thorough review but I
thought I would offer these, for what they're worth. (!)

Thanks for the opportunity to comment. If you do revise the document, I would be interested in seeing the revisions - thank you!
